

Dear Community Business,

As you know these trying times have caused many organizations to think outside of the box to keep up with normal operations. The **Solanco Cross Country and Track Alumni Association** is no different, in attempting to continue its' efforts to support our cross country and track & field scholarship funds.

Each year, our organization works with the current high school programs and our alumni to support the Coach Lee Rhodes and Coach Art Harrington Cross Country and Track Scholarship funds.

Over the past 3 years, we have offered alumni and community members an opportunity to individually sponsor scholarship signs. This year we have opened up our scholarship sign sponsorship fantastic businesses of our community.

Business contributions to the scholarship funds will be recognized with yard signs (see below) that are displayed at all 2022 home cross country and 2023 track & field meets.

The signs can be designed to share your company name, logo, and contact information.

Details regarding how to sponsor a scholarship sign are included on the attached donation sheet.

Thank You for Supporting Our Proud Tradition!
